

SINTRA (World Heritage)

A mystic experience 30Km from Lisbon

Hidden beaches, Magic castles, Enchanting restaurants and Breathtaking landscapes

A gift of nature and mystery

Cabo da Roca *The most western rock in Continental Europe, the place "where land ends and sea begins"*

Sintra National Palace *the ancient Moorish rulers residence, later Portuguese kings summer residence, a jewel since the 12th century*

Regaleira Palace *a world of mythological and esoteric settings most of Masonic inspiration*

Pena Palace *an exotic taste of the Romanticism. An intentional mixture of eclectic styles including the Neo-Gothic, Neo-Manueline, Islamic and Neo-Renaissance*

Capuchin 's Monastery *a devotion to the Holy Cross, built among granite outcrops and surrounded by dense vegetation, And much more*
